EarthRise is a one day pop up exhibit that will highlight the need for action in these times of global upheaval and climate change. This art exhibition is a celebration of Earth Day and a call for action to address climate change. We are seeking artwork and vendors that reflect aesthetically, environmentally, socially, and personally a message for our planet.

Artists will be on the Bankhead Plaza and surrounding sidewalks. Space will be assigned on a first come/serve served basis, so sign up early!

EarthRise is open to all artists displaying artist-only products, demonstrations, and/or education. All art must be family acceptable. Vendors are allowed a 10 x 10 space and there is no limit on display pieces. **Registration deadline is April 1, 2020**

Display Panels for Hanging ArtWork are available for rental at \$25 for up to 4 panels: NUMBERS ARE LIMITED; if you need panels we suggest that you sign up as early as possible.

Groups & Clubs: In the interests of simplifying the event, groups may share a booth without registering individually.

Sales Tax, Licenses and Permits: You can obtain a California Sales Tax License through the Board of Equalization at [http:// www.boe.ca.gov/info/reg.htm](http://www.boe.ca.gov/info/reg.htm) or obtain a temporary sales license for the date of ArtWalk and up to 30 days afterwards, when many sales may happen. The temporary license takes the least amount of time in processing. We do not collect the Sales Tax for you. Also, the City of Livermore requires that those selling goods within the city limits obtain appropriate business license permits, however, you will be exhibiting under a blanket ArtWalk business license which we acquire so you will be covered for the City requirement. If you do have your own, we suggest you still bring your copy.

PROMOTION: Please help us promote the event via Social Media. Like us on Facebook! Bothwell Arts Center.

If you wish to be included in press materials, please forward a sharp, clean photo of your artwork or of you working on your art (often favored by media) to agiancola@lvpac.org. We send releases to the media, however, please note that publication is at their discretion.

We rely on volunteers, sponsors and in-kind donations. If you or someone you know would enjoy helping with this event, please let us know. Thank you!
