

Cosmic Odyssey

An Immersive Encounter with the Universe

Step into the extraordinary with our outer space immersive experience on The Bankhead stage. You will find yourself surrounded by a vast 360° projection of the universe bringing iconic NASA images to life with stunning visuals of the fiery birth of stars, the majestic swirls of distant galaxies and the serene beauty of our own Earth from orbit.

The experience runs October 14 through November 27, 2024, Mondays through Thursdays, for 18 shows at The Bankhead Theater.
